Please note....

Under the Government of India approved **National Education Policy (NEP)**, 3/4-year (6/8 semesters) Honors courses of Under Graduate level have been started by the University. Its objective is to catalyze quality academic research while providing equitable access to holistic and multidisciplinary education to the students. In NEP-2020-

- Multiple entry and exit system has been implemented. You can understand it like - in today's system, if you are not able to study further after the first or second year in a three year (or six semesters) course, then you have no option, but in multiple entry and exit system, you will be awarded certificate after one year, diploma after two years and degree after three-four years. This will be of great benefit to those students whose studies are left out in the middle for some reasons.

There will be a four-year degree programme for students who want to do research. Those who want to go into any job, they will have to do only three years degree programme.

IMPORTANT INSTRUCTIONS FOR STUDENTS

- Students should apply online before the last date. Students should make sure to fill the application before the last date of online application.
- All the information presented in the application form regarding the educational qualification and other necessary qualifications will be the sole responsibility of the student.
- Students appearing in the final year of qualifying examination can also apply. But such students will have to submit the proof of passing the qualifying examination and marks obtained at the time of admission.
- The University shall not accept the application form for which the fee is not deposited online under any circumstances, so applicants must ensure that they have made the payment by filling the online form and have obtained the online receipt.
- Admission to undergraduate courses for the academic session 2024-25 will be given on the basis of merit list prepared by adding 70 percent of the marks obtained in class 12th and 30 percent of the marks obtained in online interview. Similarly, for admission to postgraduate courses, the merit list will be prepared after adding 70 percent of the marks obtained in the first and second year of graduation (if there is a semester process, then the marks obtained in the first four semesters and annual examination, then in this case the marks obtained in the first two years) and 30 percent of the marks obtained in the online interview.
- Online interviews will be done through Zoom App. Links for this will be sent to the students on their personal e-mail accounts. Please note that while applying online, fill in the same e-mail account in the application form which should be active and keep visiting this e-mail account regularly. If the student is deprived of attending the interview, then it will be the responsibility of the student himself.
- After the interview, it will be mandatory for the selected students to submit their mark list, caste certificate, and other necessary certificates for the admission process through e-mail account (in JPEG format) within 3 days as per instructions. After the verification of these certificates, the students will be allowed to deposit the first installment of fee by the department. If the above documents are not received from the students through the mail account in the department on time as directed, then the department can deprive these students for admission. After the verification of the documents, if the student does not deposit the first installment of fee within the stipulated time, then also such students can be denied admission.
- The University reserves the right to make any change in the admission schedule, to reduce or increase the number of seats or discontinue any programme, if any situation arises. The Vice- Chancellor's decision will be final and binding in all such matters. All legal disputes are subject to the jurisdiction of Bhopal Court only.
- A limited number of accommodation facilities are available in the hostel for boys and girls in the new campus of the university. Separate application will have to be

made for hostel after taking admission. According to the rules of the university, the final decision on granting or not granting admission in the hostel will be taken after considering the applications.

- Students shall comply with the provisions of the MCU Act and regulations made there under and code of conducts/instructions to be issued time to time, by the University administration. The University reserves the right to make any change or modification in the curriculum with due notification.
- Students must regularly visit the University website www.mcu.ac.in for any information related with admissions. They can also personally contact on the phone at 7974265226 (Bhopal), 0733-2920525, 9827282829 (Khandwa), 7693861752 (Rewa), 9713150770 (Datia), or email at admission@mcu.ac.in for any guidance or assistance.
- If a student wants to withdraw his/her admission before the commencement of programme Rs. 5,000 will be deducted as processing fees, after this date only caution money will be refunded.
